It's just a bad day where nothing seems to go my way
The phone began to ring
And then i heard complaining
They say we play too loud
Too many people hanging around
They want us in exile
They don't like our sense of style
And now our landlady's kicking us out

Things aren't going my way
Think i'll stay in bed today
Tomorrow's another day
When i stand up
I fall back down
I can't keep my feet on the ground
I wanna know it that's the way it goes

It didn't stop there
Trouble followed me everywhere
It started to domino
And i didn't know which way to go
I got a ticket on the road
It made me later even so
I'm mad, my face is red
I just can't seem to get ahead
Then i get there to find i missed the show

[Chorus]

When i stand right up
I fall back down
I can't keep my feet on the ground
Well you know
That's the way it goes
