I'm...

Gonna see the sun,
Rising up till the morning light.
It's time forget about reality and lose your sanity
Just for one night

(Chorus)

Tonight were gonna have some fun
The party's just begun
Tonight tonight tonight tonight
Tonight were gonna drift away
Far away,
Tonight tonight tonight tonight

You can take me to that special place
Then my heart will race outta clue
My mind is just like one big fantasy
I'm a slave to this energy
Between me and you

(Chorus)

Tonight were gonna have some fun
The party's just begun
Tonight tonight tonight tonight
Tonight were gonna drift away
Far away,
Tonight tonight tonight tonight

You you you you you you you you...

Tonight were gonna have some fun
The party's just begun
Tonight tonight tonight tonight
Tonight were gonna drift away
Far away,
Tonight tonight tonight tonight

Tonight were gonna have some fun (gonna have some fun)
The party's just begun (The party's just began)
Tonight tonight tonight tonight

Were gonna drift away
Far away,
Tonight tonight tonight tonight!
