"Uncomprehension"

See the signs of uncomprehension
They seem to be so usual
I would like to get rid of uncomprehension
And find the peace we're looking for
But there's no way...
No there's no way...
Too scared to see the way...
Wonder why all this uncomprehension
I guess it is 'cause
You're a man
And I am not
No I am not
Need to find a way out of this situation
When we keep hurting each other
I would like to get rid of uncomprehension
And find the peace we're looking for
But there's no way
No there's no way
Too scared to see the way...
