Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Don't have me waiting on you

I'm trying to make it easy like a sunday, no complaints
Anything you want from me, you can have it girl no ifs
ands or buts about it
I wanna show you that I know how to love somebody
Oh, you really got me feeling some kind away
I know you thinking how we kick it and conversate
I must have thought about you a hundred times today
And when you touch me girl you make me say
Oh, uh, know you get lonely sometimes and need
somebody
Not just anybody
If you want me girl, you got me
Someone to put them kisses, all over your body, yeah,
yeah, yeah
Oho, uh, so girl don't over think it, don't take too long
I really thing I know just what you want
So you should let make it my way

I know you've been here before and you heard it all,
But I promise baby this ain't gonna hurt at all
I'm already ready girl how long you gonna make me
wait
How much longer you gonna take?

Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting

on you

I'll do everything to make sure you're comfortable
I'll tell you everything that you wanna know
I'll take you anywhere that you wanna go
And you ain't even gotta ask me
Oho, uh, we can talk about you I wanna talk about
... I use my mouth, and I really wanna know we waiting
for
You know what I'm gonna say

Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you

I'll do everything to make sure you're comfortable
I'll tell you everything that you wanna know
I'll take you anywhere that you wanna go
And you ain't even gotta ask me
Oho, uh, we can talk about you I wanna talk about
... I use my mouth, and I really wanna know we waiting
for
You know what I'm gonna say

Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you
Uh, I'm waiting on you, I'm waiting on you, I'm waiting
on you.
