I'm not just a girl, another bimbo with diamonds and pearls.
Hear me when I say, I'm gonna break through and show you my way.
I'll show you where I stand, your gonna see me for all that I am.
It's time you see, my destiny.

You know I'm ready to fight, ready to fight my way to the top.
You know I'm ready to fight, not gonna give, up not gonna stop.
You know I'm ready to fight my way to the top.

Hey you, out there, you've got a problem that you'll want to share.
Mess with me, I'll mess with you, you've got me loose.

You know I'm ready to fight, ready to fight my way to the top.
You know I'm ready to fight, not gonna give, up not gonna stop.
You know I'm ready to fight my way to the top.

No way, no giving up, no I'm not gonna stop till I get what I want.
No way, no giving up, no time to waste.

Oooh...

Cause I'm ready to fight, ready to fight my way to the top.
You know I'm ready to fight, not gonna give, up not gonna stop.
You know I'm ready to fight, ready to fight my way to the top.
You know I'm ready to fight, not gonna give, up not gonna stop.
You know I'm ready to fight, I'm ready to fight, I'm ready to fight my way to the top
