Words tangled in blue
And I thought
About you
Words tangled in blue
What a mess
All because of you
Words tangled in blue
I wrote them down
But I didn't send them to you
Words tangled in blue
It's always you
It's always you
Who should I call?

Who should I call?
Who should I call?
Now

Words tangled in blue
Come away boy
Nothing calls you
Words tangled in blue
Everyone has left
Except you
Who should I call?
Who should I call?
Who should I call?
Now
