If you closed your eyes  
You would see much clearer  
Free from our confines  
Would you paint a new picture?  
I can see the hurt in your eyes  
Disguised behind our selfish pride  
Who'll be the first to apologize?

You don't know me at all  
We're at our final curtain call  
It's now or never at all  
Add salt to our pierced, wounded hearts  
Or find the words to say, "It's my fault."

When you look at me  
The anger obscures your memory  
There's no reasoning  
When your mind is already made up  
Who is wrong and who is right  
You look away and avoid my eyes  
Who'll be the first to realize?

You don't know me at all  
We're at our final curtain call  
It's now or never at all  
Add salt to our pierced, wounded hearts  
Or find the words to say, "It's my fault."

I still believe in something  
Do you believe in me?  
Believe in me

La cortina va a cayer  
Es muy tarde y ya se paro el tiempo  
Es ahora o nunca  
Como sal en un corazÃ³n herido  
Y hayer las palabras para decir mea culpa

You don't know me at all  
We're at our final curtain call  
It's never or never at all

Add salt to our pierced, wounded hearts  
Or find the words to say...

At all  
We're taking our last curtain call  
It's never and never at all  
Add salt to our pierced, wounded hearts  
Or find the words to say, "It's my fault."
