You think that things are bad
How can it get worse
It seems as though somewhere
I may have taken a wrong turn
My love for you is a bomb
That i just cannot diffuse
I've got to stop this love affair
But i couldn't even if i tried

Rock, Rock, Rock-n-roll, baby
You're a pain in the ass
Rock, Rock, Rock-n-roll, baby
You're a pain in the ass
Obscene, rude, and crass
But i just can't help but say that i love you so

We've been together through
The good times and the bad
Without you i know that
I would be feeling very sad
Today everything's great
But yesterday it sucked
When it feels like things are
Falling down and i can't pick them up

[Chorus]

You kept me up late last night
And i can't get out of bed
No one understands
They think we're misfits
They don't understand of point of
View or what we're going through
They say that they want more
But i've given everything to you

[Chorus]
