Last night*San Francisco
Tonight we're in LA
30 Days untils i see you
Hearing your voice is not good enough
I wish i could be seeing you tonight

I'm thinking of the time
That i saw you last
Time has passed me by too fast
I think of yesterday
It seems so very far away
I wonder if you think of me
I wish you were here with me

So here we go-c'mon let's go

Last night*New York City
Tonight*Pittsburg, PA
20 Days until i see you
Hearing your voice is not good enough
I wish I could be seeing you tonight

The days turn into weeks, Weeks to a month
And you're still the one I'm thinking of
We're driving farther, but we're getting closer
everyday
Blut still we're having so much fun
It feels like it has just begun
So here we go-c'mon let's go

Last night we're in Chicago
Tonight we're in Greenbay
10 Days until i see you
Hearing your voice is not good enough
I wish i could be seeing you
Tonight you seem so far away
But i call you 'cause you say
You stop, drop everything
When the phone begins to ring

How are you today?
Is everything okay?

Before you go, there's one thing you should know
That there's no one that i'd rather go with to a
Punk Rock Show

Hearing your voice is not good enough
I wish i could be seeing you tonight
