If you need a friend,  
Don't look to a stranger,  
You know in the end, I'll always be there.  
And when you're in doubt,  
And when you're in danger,  
Take a look all around,  
And I'll be there.

I'm sorry, but I'm just thinking of the right words to say.  
I know they don't sound the way I planned them to be.  
But if you'll wait around a while,  
I'll make you fall for me, I promise, I promise you I will.

When your day is through, and so is your temper,  
You know what to do, I'm gonna always be there.  
Sometimes if I shout, it's not what's intended.  
These words just come out, with no gripe to bear.

I'm sorry, but I'm just thinking of the right words to say.  
I know they don't sound the way I planned them to be.  
But if you'll wait around a while,  
I'll make you fall for me, I promise, I promise you I will.
