"The Real You"

From the bottom of my heart
I hope you find what you've been
Looking for
You deserve it like no other
Like no other would

It's all too little too late
Fuck fate
Where did it all go
Was it destined for this
Fuck fate
Where did it all go wrong

Dreams of the past they went last
Truth
Would I be better off or just
Clueless I'm ruthless
What I gotta do to prove this

That day I broke your heart I broke mine to
I'm love lost with nothing to lose
But everything to prove
Imagine the pain

This ain't no sugar coated apology
More like a rail road'd dive for
Dive for forgiveness

Where did you all go wrong
