

## Hall Effect, The "Aim At Me"

Visit "[Aim At Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I don't want you to go,  
but I don't want you to stay  
I want to have you in a box  
where no one else would be safe  
I want to know how I feel,  
I want to know who I am,  
know me again, know me again

I need to find a way out  
to shut the voice in my head  
I'm trying to do what is right  
but things work out on the left  
My god stands on the ground,  
your spirit is up in the air,  
floating away, floating away

Your wings are burning in the sky so high,  
you know that I'm the reason why

So aim at me, I'm your sour tear, aim at me  
Stop this hurting man from harming your betrayed love  
So aim at me, I'm the one who's wrong, aim at me  
Banish me from your head and heart, erase what I  
have done

Now that I'm drowning in time,  
I need a fast getaway  
I'm guilty as charged in a crime,  
and I don't want to be saved  
My wisdom is growing on you,  
Your hope is dying in me,  
wasted away, wasted away

I can't create a new world,  
and I can't woke up the dead  
The show is falling apart,  
the faith has come to an end  
The bond that used to be white,  
slowly is turning to black,  
fading away, fading away

Your eyes are blinded by the light,  
so bright this light,  
you know that I'm the reason why

So aim at me, I'm your sour tear, aim at me  
Stop this hurting man from harming your betrayed love  
So aim at me, I'm the one who's wrong, aim at me  
banish me from your head and heart, erase what I have  
done

Dry off your bleeding heart,  
Dry off your bleeding heart away (x3)

Dry off your bleeding heart away

So aim at me, I'm your sour tear, aim at me  
Stop this hurting man from harming your betrayed love  
So aim at me, I'm the one who's wrong, aim at me  
banish me from your head and heart, erase what I have  
done (x2)
