Hold me close to you, try to be
with me
as my time gets through, and the
end comes near
walk with me this day, put your
hand in mine
I wish that I could stay but, got to
say goodbye

I know you'll be alone
But my light will guide you
through

Hold me as I fade
keep me in yourself today
Hold me as I fade
be the one to use my living love

Sing with me your thoughts, call
me in your dreams
I'll be inside of you, where you
wanna be
If you feel the need of breaking
down and cry
I will hear your tears and make
them all right

I know you'll be alone
But my light will guide you
through

Hold me as I fade
keep me in yourself today
Hold me as I fade
be the one to use my living love

Living love, living love...

Hold me as I fade
keep me in yourself today
Hold me as I fade

be the one to use my living love
