You wonder why I never think you understand
Because it seems like you're not listening
I laugh aloud, then suddenly I disappear in to another
place
I'm glad that I lost you

Glad that I lost you

You push me down, but I get right back up off the
ground
You'd think you would get it right
I'm glad that I lost you

I'll tape my mouth shut
Or I'll close my mouth and bite my tongue
I bet you wish I could
I'm glad that I lost you

I took your picture from my wall
Replaced it with a poster of 'The Dolls'
I play my records loud so I can't hear you when you call
