

## The f-ups "Lazy Generation"

We are the lazy generation  
No more standing out in line  
So good at wasting our time

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now

Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go

We are the lazy generation  
They call us social mutations, why?  
You can just drop dead and die

Nothing we do ever seems to matter  
Just like shit on a silver platter shines  
Yeah, you know just where we stand

Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go

Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now

We are the lazy generation  
We are the lazy generation  
We are the lazy generation

Now

Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go

Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now
