Another time, another place and I'll say it to your face
I'll have you know this is my life
I'll let you know that I won't cry, I won't even waste my
time
I'll just laugh right in your face

Well now I just say, I don't care
And I hope you feel the same way I do
Well now I've got revenge by song
And I say

Screw you, you, screw you, yeah
Now I say screw you
Screw you, screw you, yeah
Now I say screw you

You can't treat me like a dog when you know this is
your fault
There's nothing wrong with being me
Well this is what you deserve, I'll push you down, I hope
you'll learn
In your guilt I wish you will

Well now I just say, I don't care
And I hope you feel the same way I do
Well now I've got revenge by song
And I say

Screw you, you, screw you, yeah
Now I say screw you
Screw you, screw you, yeah
Now I say screw you

Screw you, screw you, yeah
Now I say screw you
Screw you, screw you, yeah
Now I say screw you

Screw you
Yeah yeah yeah yeah

Screw you, screw you, yeah

Now I say screw you
Screw you, screw you, yeah
Now I say screw you

Screw you
Yeah yeah yeah yeah
