Always and forever  
you always made me laugh.  
you always cared.  
the way you felt for me.  
i knew you were there.

i think about you all the time and its ashame you had to  
move.  
somedays i wish you would come back to we could be  
together soon.

we hardley ever talked but it didnt matter cuz the way  
you made me feel inside  
is what really mattered

i love you with all my heart and this feelin wont go away  
you need to  
come back so we can be together forever untill this  
day.

You proolly dont like me the way i like you but i dont care  
cuz i will always  
be here for you!!
