I'm Movin On  
Rascal Flats

I've dealt with my ghosts and I've faced all my demons  
finally content with a past I regret.

I've found you've found strength in your moments of  
weakness, for once I'm at peace with myself.  
I've been burdened with blame  
trapped in the past for too long  
I'm movin' on.

I've lived in this place and I know all the faces  
each one is different but there always the same.  
they mean me no harm but its time that I face it;  
they'll never allow me to change.

But I never dreamed home would end up where I don't  
belong  
I'm movin' on.

I'm movin' on,  
at last I can see (at last I can see)  
life has been patiently waiting for me  
and I know there's no guarantees.  
but I'm not alone.

There comes a time,  
in everyone's life  
when all you can see  
are the years passing by  
and I have made up my mind  
that those days are gone.

I've sold what I could and packed what i couldn't,  
Stopped to fill up on my way out of town  
I've love like I should but lived like I shouldn't;  
I had to loose everything to find out;  
Maybe forgiveness will find me somewhere down this  
road;

I'm movin on.  
I'm movin on  
I'm movin on.
