I cant get enough
Can't get enough
Of this everyday love

Each morning the sun shines threw my window
Lands on the face of a dream come true
I shuffle to the kicthen for my coffee
And catch up on the front page morning news
Then she walks up behind me
Throws her arms around my neck
Just another moment, I come to expect

This ordinary, plan and simple
Typical this everyday loveeeee
Same old, same old (same old)
(Everyday love)
Emotions so familiar
Nothing bout it, to procure
Oh, I can't get enough
Of this everyday love (yeahhhh)

Every atfhernoon I make a phone call
Listen to the voice
That warms my heart
I drag myself through a few more hours
(I drag myself through a few more hours)
Head on home to true to be the god
Her smile will right there
When I step through that door
It will be that way tomorrow
Just like everyday before

This ordinary, plan and simple
Typical this everyday loveeeee
Same old, same old (same old)
(Everyday love)
Emotions so familiar
Nothing bout it, to procure
Oh, I can't get enough
Of this everyday love

Wouldn't change one single thing about it
It's a one in a million
Still I can't live without it

This ordinary, plain and simple
Typical this everyday loveeeee
Same old, same old (same old)
(Everyday love)
Emotions so familiar
Nothing about it, to procure
Oh, I can't get enough
Of this everyday love
