I own your lazy ass
drop your pants and let me peek
so flash your boarding pass
If you wanna ride the beat

I got my vibe in hand
don't need a man...
electrified

It's time to hit the gas
spin my wheel and feel the heat
If you want to have a blast
close your eyes and think of me

I got my vibe in hand
don't need a man
I'm satisfied

Chorus:

You're my boy toy, baby
just a boy toy
You can touch me
hell, whenever you want...
but only in your dreams (x2)

I'm your dirty little secret
careful not to shout my name
here's my flick and you can click it
when you wanna fan the flame

I got my vibe in hand
don't need a man...
electrified

Chorus x2

You can touch me
You can taste me
You can have me
I want you too
Keep dreaming boy
Keep dreaming

You can touch me
You can taste me
You can have me
hell whenever you want...
only in your dreams

Chorus x3
