"The Last Unicorn"

When the last eagle flies
Over the last crumbling
mountain
And the last lion roars
At the last dusty fountain

In the shadow of the forest
Though she may be old and worn
They will stare
unbelieving
At the last unicorn

When the first breath of winter
Through the flowers is
icing
And you look to the north
And a pale moon is rising

And it seems like all is dying
And would leave the world
to mourn
In the distance hear the laughter
Of the last unicorn

I'm alive! I'm alive

When the last gleam is cast
Over the last star of
morning
And the future has passed
Without even a last desperate
warning

Then look into the sky where
The clouds are packed with storm
Look and see her how she sparkles
It's the last unicorn

I'm alive! I'm alive
