You've got a way of spinning.
I guess you'd call it art.
Doesn't matter what the outcome is,
I'm sure you played your part.
You come on like an earthquake,
even though you float on through.
Give me just a moment's notice, I'll make due.
Only a fool would not believe it.
Only a blind man couldn't see.
If you're concerned about my heart.
Truly, truly.
A drink would make things easier.
I'm shaking in my skin.
I'm 0 for 3.
Alone, you see.
I'm looking for a win.
I can bounce back from a heartbreak,
but I'm heading towards a wall.
Do I hit the gas or brakes, baby?
It's your call.
Only a fool would not believe it.
Only a blind man couldn't see.
If you're concerned about my heart.
Truly, truly.
I've seen this movie a thousand times.
I won't give the ending away.
But I bought a ticket, so I'm entitled to stay.
Truly, truly.
