VERONICA: [spoken] Excuse me. Would you like a little help?

ANDY: [spoken] All right.

VERONICA:

[spoken] Fine. From the beinning?...From the beginning.

I'll sing the verse...Introduction, please. Key of B flat. Here we go...

[singing] Nighttime am a-fallin', everything is still,
and the moon am a-shinnin' from above.

Cupid am a-callin', every Jack and Jill,

It's just about the tme for makin' love.

Someone is a-waitin' all alone for me,

no more hesitatin' I must go and see.

How d'ye do, dear? It's with

you dear that I long to be.

Put your arms around me, honey.

Hold me tight.

Huddle up and cuddle up with all your might.

Oh, babe. won't you roll them eyes.

Eyes that I just ____.

When they look at me, my heart begins to float.

Then it stars a-rockin' like a motorboat.

Oooh-oooh, I never knew any boy like you.

VERONICA:

...all your might.

Oh, baby, won't you roll your eyes?

Eyes that I just ____ your eyes.

And when they look at me, my heart begins to float.

Then it starts a-rockin' like a motorboat.

Oooh-oooh, I never knew any boy like you....15 cents,
please.
