When your world is full of strange arrangements
And gravity won't pull you through
You know you're missing out on something
Well, that something depends on you

All I'm saying, it takes a lot to love you
All I'm doing, you know it's true
All I mean now, there's one thing
Yes, one thing that turns this grey sky to blue

That's the look, that's the look, the look of love
That's the look, that's the look, the look of love
That's the look, that's the look, the look of love

When your girl has left you out on the pavement
(goodbye)
Then your dreams fall apart at the seams
Your reason for living's your reason for leaving
Don't ask me what it means

Who's got the look, I don't know the answer to that
question
Where's the look, if I knew I would tell you
What's the look, look for your information
Yes, there's one thing, the one thing that still holds true
(What's that?)

That's the look, that's the look, the look of love
That's the look, that's the look, the look of love
That's the look, that's the look, the look of love

(Repeat)

If you judge a book by the cover
Then you'd judge the look by the lover
I hope you'll soon recover
Me, I go from one extreme to another

And though my friends just might ask me
They say Martin maybe one day you'll find true love
I say maybe, there must be a solution to the one thing

The one thing, we can't find

That's the look, that's the look (sisters and brothers)
That's the look, that's the look (should help each other)
That's the look, that's the look (heavens above)
That's the look, that's the look (hip hip hooray)
That's the look, that's the look (yippee ai yippee aiay)
That's the look, that's the look (be lucky in love)
Look of love
