Welcome to Nashville, welcome to Nashville  
Welcome to Nashville, welcome to Nashville  
Welcome to Nashville, Nashville, Tennessee  
It ain't been this bad since Conway had him a  
perm  
And you'd think by now them sorry sons  
a bitches have learned  
A bunch of soft-rock wanna be, hell they can't  
even sing  
Auto tuning Nashville, Tennessee  
Welcome to Nashville, welcome to Nashville  
I said, welcome to Nashville, welcome to Nashville  
Welcome to Nashville, Nashville, Tennessee  
And now the DJ on the radio wants his payola  
He won't play your record unless he gets that  
quota  
He gonna make you play free shows, dress you up in  
pantyhose  
Pimp you like dirty hoe, hold on, here we go  
Welcome to Nashville, welcome to Nashville  
I said, welcome to Nashville, welcome to Nashville  
Welcome to Nashville, Nashville, Tennessee  
Well, now, kid, we really like what it is you're  
playing  
And you look like you sound good, if you know what  
we're saying  
But we're gonna change your image, change  
your style  
Change your voice, change your smile  
Cut some outside songs and you can't go  
wrong  
They don't offend nobody and they're  
three minutes long  
Welcome to Nashville, welcome to Nashville  
I said, welcome to Nashville, welcome to Nashville  
Welcome to Nashville, Nashville, Tennessee  
Now Texas, Oklahoma, Kansas, North Dakota  
Alabama, Mississippi, Carolina, Manitoba  
Stay where you are, play your local bar  
You'll make more money, won't sleep  
in your car

Welcome to Nashville, welcome to Nashville  
I said, welcome to Nashville, welcome to Nashville  
Welcome to Nashville, Nashville, Tennessee  
Welcome to Nashville, Nashville, Tennessee
