I like to never got the chords figured out for this song.
Theres still no
gaurantees but I think there right.

4/4

(G)Theres a blue..... (C) nor-ther comin (G) in
(D) Its gettin mighty cold
(C) Bringin lots of (G) wind
Yes a blue (C) nor-thers comin (G) in.....(C).....
(G) Ridin hell for (C) leather
We got a make it (G) in

(D) I know I shouldn't lope this hard
Ol' (C) Dummies had a (G) day
(D) Seein to the sick ones
You (C) can bet he's earned his (G) pay
(D) Been gone since sunrise
The (C) weather then was (G) fine
But as (D) any fool knows, the weather can change
with the (C) flip of a (G) dime

Theres a blue..... (C) nor-ther comin (G) in
(D) Its gettin mighty cold
(C) Bringin lots of (G) wind
Yes a blue (C) nor-thers comin (G) in.....(C).....
(G) Ridin hell for (C) leather
We got a make it (G) in

(D) Shes cooked a pot of beans I know
Put the (C) coffee on to (G) warm
(D) Hay and rest for you ol pard
And a (C) stall at the (G) barn
(D) She'll be lookin out the window
Every (C) minute or (G) two
A (D) startin to get a little worried my friend
A (C) waitin on me and (G) you

Cause a blue (C) nor-thers comin (G) in
(D) I've never been so cold
(C) How I hate that (G) wind

Yes a blue (C) nor-thers comin (G) in.....(C)
(G) Ridin hell for (C) leather
I hope we make it (G) in

(D) Its snowin hard, it burns my face
Its (C) gettin hard to (G) see
(D) A man could die if he lost his way
It (C) wouldn't take long to (G) freeze
(D) I think I see a light ahead
About (C) a hundred yards (G) away
And when (D) I'm safe and warm in my sweet wifes
arms
(C) Heres what I'll (G) say

Babe your blue (C) nor-ther just came (G) in
(D) Hes never been so cold
Or (C) weary from the (G) wind
Yes your blue (C) nor-ther just rode (G)
in.....(C).....
(G) Ridin hell for (C) leather
We finally made it (G) in
