I'm dreamin bout my pretty Daisy (G) Mae  
(D) Dream ridin, Dreamin my life (G) away

(G) Sometimes in the hot part of the evenin  
We'll stop a while and lay up in the (G7) shade.....  
(C) Folks a passin by'll think were loafin  
But I just really think we've got it (G) made  
(D) Dream Ridin, Dreamin my life (G) away

(G) Some folks think I'm lazy, my minds a little hazy  
On that I'd almost have to (G7) confess.....

And drift around until the break of (G) day
