You are an obsession  
I cannot sleep

I am a possession unopened at your feet.  
There's no balance  
No equality

Be still  
I will not accept defeat.  
I will have you  
Yes  
I will have you

I will find a way and I will have you.  
Like a butterfly  
A wild butterfly

I will collect you and capture you.  
You are an obsession  
You're my obsession

Who do you want me to be to make you sleep with me?  
You are an obsession  
You're my obsession

Who do you want me to be to make you sleep with me?  
I feed you and drink you by day and by night.  
I need you  
I need you by sun and candle light.  
You protest  
You want to leave.  
Stay

Oh  
There's no alternative.  
You see some beauty here  
I see some beauty there

But I see danger  
Stranger beware.  
A circumstance  
When you make your dreams

Your affection is not what it seems.  
You are an obsession  
You're my obsession  
...  
My fantasy has turned to madness

And all my goodness has turned to badness.  
My need to possess you has consumed my soul.  
My life is trembling  
I have no control!  
I will have you  
Yes  
I will have you

...  
You are an obsession  
You're my obsession  
...  
You are an obsession  
You're my obsession  
...  
You are an obsession  
You're my obsession  
...
