We went through hardships and faced a lot of
Problems,
Both Souls been down No one been there to hold our
hands
Remember 19 march when you came around, kept my
heart, I was lost but now I'm found
After 8 Months while every girl gave up on me, you set
me free
You always stood right beside me
Ya showed me Love with no falter,,, how love
supposed to be, instantly
You enchanted me extremely,

No one ever could Tear us apart, Baby, you will always
have my Heart.

No one could Tear us apart, Baby, you will always have
my Heart.

I was blind to see, for all the the things I've done and
said baby I'm sorry
and treating you that bad.... Guys always tried to take
away, all the things I loved and had
I was too hard on you, the last time I missed to see you
through, let you down and made you cry
But I prefer to see you smile, day by day, working hard
to keep ya eyes dry
thus...ya broken wings fly to kiss the sky,
Let the sunshine guide you through wind and weather
Just to keep it real to keep our hearts together...where
ever, whenever, whatever if you ever need me, from
this day on I swear and Guarantee
You can count on me, I'm gonna set your soul free...
Listen closely I love you Baby,I will always stand by you
Needless to say Soul mates as one,in every way

No one ever could Tear us apart, Baby, you will always
have my Heart.

No one ever could Tear us apart, Baby, you will always
have my Heart

After 8 Months while every girl gave up on me, you set

me free
You always stood right beside me
Ya showed me Love with no falter,,, how love
supposed to be, instantly
You enchanted me extremely,
