Hand Me Down Buick "When She Moves, She Moves Mountains"

Visit "When She Moves, She Moves Mountains" on MotoLyrics.com

Take it up town, shake it up town baby
Take it up town, shake it up town
You said you'd leave, you said you'd leave
Take it up town, shake it up town baby
Take it up town, shake it up town
You said you'd leave, you said you'd leave
Wide eyes

But your always on my mind
And I got to get you got to get you on the line
But your always on my mind
Wide eyes, wide eyes
What about those times we had?
So I guess you didn't mean it like that?
What about those lines we had?
So I guess you didn't mean it like that?

Take it up town, shake it up town baby
Take it up town, shake it up town
You said you'd leave, you said you'd leave
Wide eyes
Take it up town, shake it up town baby
Take it up town, shake it up town
You said you'd leave, you said you'd leave
Wide eyes

And I wouldn't want you to feel the way I do Get up, get up, get outta here Get up, get up, get outta here And I wouldn't want you to feel the way I do Get up, get up, get outta here Get up, get up, get outta here

Take it up town, shake it up town baby take it up town, shake it up town
You said you'd leave, you said you'd leave
Take it up town, shake it up town baby
Take it up town, shake it up town
You said you'd leave, you said you'd leave

Wide eyes, wide eyes get out of my life get out of my

life

Wide eyes, wide eyes get out of my life get out of my life

Wide eyes, wide eyes get out of my life get out of my life

(ge-ge-get out)

You'd said you'd leave, you'd said you'd leave Wide eyes Take it up town, shake it up town baby Take it up town, shake it up town You said you'd leave, you said you'd leave Take it up town, shake it up town Take it up town, shake it up town You said you'd leave, you said you'd leave Wide eyes Take it up town, shake it up town baby Take it up town, shake it up town You said you'd leave, you said you'd leave Take it up town, shake it up town Take it up town, shake it up town You said you'd leave, you said you'd leave Wide eyes
