1. A day,
a day you fall in Love,
and the feelings,
were jumping in your heart,
and you want,
a girl who loves you too,
and who is making,
everything for you,

Bridge:

But the time is terrible to you,
and the love is making fun with you,
and a girl you haven't found,
and the feelings (are) turning in your head around.

Refrain:

Love, love is all you need,
love, love, is all you give,
the love is making fun with you,
and no girl is - loving youuuuu.

2. Later time,
the love was near,
and the feelings,

doesen't appear,

and you want,

a night with some alone,

I can hear (yeah!) your heart were knocking strong.
