(CHORUS)

1: What to do with Inanna?

2: She's gotten out of hand - What to do with Inanna?

3: She's trying to invade our land - What to do with Inanna?

1: I fear we've lost control - What to do with Inanna?

2: How can we regain our hold?

1: We must try to stop this goddess  
We must take her down  
Before she controls all our kingdoms  
We must take her crown

2: What can tame a raging lion?  
What can hold a snake?  
She is like a storm that leaves destruction in its wake

3: We could hold a splendid banquet  
Feed her poisoned meat  
Death would come, and we would have  
Inanna at our feet

(CHORUS)

1: We should tie her to a post  
To satisfy our needs  
Strip her of her royal gown  
And whip her 'til she bleeds

2: We could chain her wrists and ankles  
Take the sharpest knife  
Heat it 'til the point turns red  
Deprive her of her sight

3: We should drag her to the river  
Drown her in the stream

We should take away her power  
We should take her dreams

(12 CHORUS)

1: Storm her city, tear the walls down  
Take the people to our kingdoms

2: Smash her temple, kill the priesthood  
Keep her gold and precious jewels

1: We should leave no trace of her city  
Take away the place she calls her home

3: Treat her like a common criminal  
Sixty lashes across her back....

(REPEAT CHORUS)
