I've been calling you plenty of things.
This is what it's like when neon turns to grey.
I'm barely here, you're losing your touch my dear.
I'll be sincere, I simply can't hide my fear.

Tasteless fashion, following the herds you say....
"Actions speak louder than words can speak!"
I'm barely here, you're losing your touch my dear.
I'll be sincere, I simply can't hide my fear.

(Back and forth!)
(Back and forth!)

Somebody!
(Back and forth!)
(Back and forth!)

Raise your hand, ask permission before, you speak to
the class!

Bang!
Bang, bang!
Twisting our bodies, to exaggerate our games!
In the dust that decays!
In this space, do you feel safe?
I can't behave!
Bang, bang, bang!

Take a drink and pass it my way.
You want me....
Come crawling baby.
Tell me everything is okay.
You lied to me...
Come die for me tonight....

Bang!
Bang, bang!
Twisting our bodies, to exaggerate our games!
In the dust that decays!
In this space, do you feel safe?
I can't behave!

Bang, bang, bang!

I've been calling you plenty of things.
This is how it feel to be alone!

You're gonna get yourself in trouble baby.
You're gonna get yourself caught up in so drama,
alright!
Cause you've been cheatin' and been lyin' honey.
Never thought that I could say goodbye, but maybe
tonight!
