Yeah!

Hear that dark masked voice that I thought I only
dreamt about.

It tells all of my fears to everyone else, and conveys it's
wants to me, (PLEASE GET IT OUT)

[Black Demon:]

"God's not a goldmine, God's on the inside,
Selling everybody on the front-lines out.

Did you think your were right-side in, maybe inside out?
Reaching for, the gun, to load and persuade you, to
stay..."

(BANG! BANG! BANG! BANG!)

The thoughts in your head taking hold,
And all the knots are tied too tight to hold!

(Are you sold?)

Do we have to make a deal? Let me know! ?

(Are you sold?)

Did, you forget, I'm your friend? (I'm your counterpart
in all of this!)

("Isn't something you're forgetting?")

You owe me your life for thinking that I could take this
from you!

Yeah...

MURDER! [x4]

Explanations turn to expectations turn to explorations.
This is torture, thinking I would hold her, but I think it's
over.
Think it over

MURDER! [x4]
