I'm giving you only the truth
This is your last chance
After me there'll be no more
If you listen you will stay in wonderland
And i'll show you how deep the rabbit hole goes
Alice lives in a land that I am envious of
Yellow dragons, violet cats, and black talking puple
knobs
She steps on anything that might get in her way of
home
YOU
Alice had love but she pushed all of her people away
She felt as if she was alone, distant, ugly, afraid
She did not know that her life was already made
You're loved and you will find
Someone with your frame of mind
So if you'd be so kind to..not cross that line
And fall into a world where
Everything is flipped and where you
Fly to swim and you
Fly to drive
(chorus)
Fly with me in the sea
Swim with me in the breeze
Drive with me on the clouds
Fly with me on the ground
Follow me into my rabbit hole and
I'll show you everything I've been told
I'll lead you to a land unknown where
Happiness is grown
I live in a world that Alice would be envious of
Everybody's mind is closed
There falls a white dove
Find your treasured feather and you
Better treat it right
Petals can unfold all at one time
And all at the drop of a dime
With tragic reds and joyous reds of a blue yesterday,
It makes me crazy to hear of your purple yellow haze.
Alice had it great, I wanna be like her some day.
In a world where everything is flipped and

People are stuck in the maze
(chorus)
Fly with me in the sea
Swim with me in the breeze
Drive with me on the clouds
Fly with me on the ground
Follow me into my rabbit hole
I'll show you everything I've been told
I'll lead you to a land unknown where
Happiness is grown
Fly, swim, drive, fly
Fly, swim, drive, fly
