Your my friend...(our friendship will never end,,,)  
A friend so true and near to my heart, i'd wish that we  
would never had to part, but in my heart  
we'll always---we made the best of friends  
Remembering the day you went away my heart was  
feeling so much pain  
How I wish you could stay and a race just came in my  
heart we'll always---we made the best of  
friends

[CHORUS]

You know that I am your friend, so let me say it again  
It's where it starts, iut never ends, never ends  
Don't you know that i'm your friend...  
You know that I am your friend, no doubt about it  
Our friendship will never end 'cause your my best friend

All of the fun things we did together, I knew that we'd  
be friends forever (ever)  
But then you had to leave, tell me how could this be my  
friends leave me?  
They say a true friendship never ends (never ends)  
I know it's true 'cause I can't breathe in all of the  
memories of you and me annd how we will  
always---we made the best of frieeendss

You'll always be the special side of me, 'cause your my  
friend  
No matter where you go, I wanna let you know your my  
friend, you are my friend

[REPEAT CHORUS]

No matter where you go, I just gotta let you know that  
you will always be my friend, my best  
friend (your friend)  
Doesn't matter 'cause you live too far (your friend)  
My friend, I am where you are

Our friendship will never end..
