I Need to find somebody
Who can sleep at night without holding me
Without holding me tight
I Want someone who see's me all the time in their
dreams
and then wakes up thinking just of me
Spent time on my own Spent time being free now
I just wanna be
CHORUS:
Overloved
Over Needed
Over Wanted
Over Missed When Im Away
Overloved
Over Dreamed of
Over Cared About
Over Everything
I'd give anything to be Overloved
I want someone who can't wait to kiss me again
even though its been a minute since they last did
Want someone who loves love songs and dedicates
them to me
And two loving arms never out of reach
Been fine all alone
Did fine being free
this time I wanna be...
CHORUS:
Overloved
Over Needed
Over Wanted
Over Missed
When Im Away
Overloved
Over Dreamed of
Over Cared About
Over Everything
I'd give anything to be Overloved
Want someone to talk to me with talk so sweet
Want some whos there to share their world with me
oh baby I've been too lonely for too many nights
this time I need someone here in my life

this time I want someone holding me tight
been under kissed
under touched
now I just wanna be...

CHORUS:

Overloved
Over Needed
Over Wanted
Over Missed
When Im Away
Overloved
Over Dreamed of
Over Cared About
Over Everything
I'd give anything to be Overloved
Overloved
Ohh I Just wanna be Overloved
Someone whos Over inlove with me
Over Kissed
Over Touched
Over Missed
Overloved
