True to your heart  
you must be true to your heart  
that's when the heavens will part  
and baby shower you with my love  
Baby I knew at once that you were meant for me  
deep in my soul I know that I'm your destiny  
though your unsure  
why fight the tide  
don't think so much  
let your heart decide, oh  
Baby I see your future and it's tide to mine  
I look in your eyes and see you searchin for a sign  
but you'll never fall  
til you let go  
don't be so scared  
of what you don't know  
[CHORUS]  
True to your heart  
you must be true to your heart  
that's when the heavens will part  
and baby shower you with my love  
open your eyes  
your heart can tell you no lies  
and when your true to your heart  
i know it's gonna lead you straight to me  
Someone you know is on your side can set you free  
I can do that for you if you believe in me  
why second-guess what feels so right  
just trust your heart and you'll see the light  
[CHORUS]  
your heart knows what's good for  
let your heart show you the way  
it'll see you through  
Boy my heart is driving me to where you are  
you can take both hands off the wheel and still get far  
be swept away  
enjoy the ride  
you won't get lost  
with your heart to guide you  
[CHORUS]
