=====
Incesticide - Downer
=====

Portray sincerity
Act out of loyalty
Defending your country
Wish away the pain
Hand out lobotomies
To save little families
Surrealistic fantasy
Bland boring plain

Hold me down in restitution
Living out your date with fusion
Is the whole fleece shun in master?
Don't feel guilty, master writing

Somebody said that they're not much like I am, I know I
can
Make enough of the words for you to go along and sing
your song

Slippery pessimist hypocrite master
Conservative communist apocalyptic bastard
Thank you dear God for putting me on this Earth
I feel very privileged in debt for my thirst!

Hold me down in restitution
Living out your date with fusion
Is the whole fleece shun in master?
Don't feel guilty, master writing

Somebody said that they're not much like I am, I know I
can
Make enough of the words for you to go along and sing
your song
