Incesticide - Silver

=====

Mom and dad went to a show
They dropped me off at Grandpa Joe's
I kicked and screamed, said please, don't go

Grandma take me home (x8)

Had to eat my dinner there
Mashed potatos and stuff like that
I couldn't chew my meat too good

Never take me home (x8) (Alt: Grandma take me home
(x8))

She said, well, don't you start your crying (Alt: Said,
why don't you stop your crying)
Go outside and ride your bike
Thats what I did, I killed my toad

Never take me home (x8)

After dinner, I had ice cream
I fell asleep, and watched TV
I woke up in my mother's arms

Never take me home (x19)
I wanna be alone
