The sun is shining, the sky is blue  
Its 3 O'clock and I just had me a few  
Sitting here thinkin bout the things I could do  
Well I could conquer the world if I wanted to  
My Mother used to tell me she say, Hoss you're a  
winner  
Now get out of that Superman costume and bring it on  
in to dinner  
You gotta quit that dreamin Hoss if you want to get  
ahead  
I don't think I could make it Ma without my dreams I  
said

If I wanted to, I could fly to the moon  
Marry a desert Princess, become the King of Rangoon  
Could become a jet plane pilot man, and zoom around  
the sky  
And just like old James Bond, make all his ladies cry

Its gettin on to 7, guess I'll mosey on into town  
See what the boys are doin, and bring em a few rounds  
We'll talk about the newscast, and peg the worlds at  
end  
Maybe I'll run for Mayor, if I do I'm sure to win  
Now some say I'm a loser, and I'll never get no where  
And they don't understand it, cuz I just don't seem to  
care  
But I'm just waiting for a break, to come along my way  
I know it will come tomorrow, cuz I just missed it today

If I wanted to, I could fly to the moon  
Marry a desert princess, become the King of Rangoon  
Could become a jet plane pilot man, and zoom around  
the sky  
And just like old James Bond, make all his ladies cry

Do you know if I wanted to, I could become a big movie  
star  
Its my idol here, yes indeed, talking about Broderick  
Crawford  
Well I could become the Prince of Bolivia if I wanted to

The trouble is I had a few beers with the boys today  
And I'm kinda tired  
Maybe I'll have one more before I go, um I guess so  
Bartender, another round here for me and the boys
