Tell me how it's gonna be now, George
Tell me how it's gonna be
I done a bad thing. I didn't mean to, George
Tell me how it's gonna be

Take off your hat Lennie and look across the way
Soon it's gonna be alright
We'll get a piece of land that we can call our own
Soon it's gonna be alright

Can we get some rabbits, cuz I'll feed em George
Why, I'll watch over those rabbits day and night
And we'll get a farm now, Hey won't we George
Tell me how it's gonna be

Oh take off your hat Lennie and just look across the
way
And soon it'll be alright
Yeah we'll get a piece of land and it'll belong to us
Soon it's gonna be alright
