She's got the hoodoo, got the voodoo yeah
When she starts it movin', and keeps it groovin' yeah
Mojo woman she's a mean crocodile
Slithers like a snake, drive this boy wild
She's got the hoodoo, got the voodoo yeah
Posum fat gravy, drivin me crazy yeah
Juju beads and bullfrogs, sweatin like a bayou hog
yeah
Dancing round in circles in the middle of the night
Chanting voodoo love songs neath the pale moon light
She's got the hoodoo, got the voodoo yeah

Rattlesnake pancakes, swamp rat bouillabaisse yeah
Movin' and a grovin', slippin' and a slidin' yeah
She boggies round in circles in the middle of the night
Chanting voodoo love songs neath the pale moon light
She's got the hoodoo, got the voodoo yeah
