This week at the pet store I bought a snake
I brought him home with me and I called him Jake
Last night I woke up from an awful dream
The last thing that I heard was my wife scream

Wow the Boa Constrictor ate my wife last night
The Boa Constrictor ate my wife last night
Ate my wife and ate her sister
I love that Boa Constrictor
Well the Boa Constrictor ate my wife last night

He slithered from the house out to the street
And then he spied a cop upon his beat
And I have just one question
Did Jake get indigestion
Oh the Boa Constrictor ate the heat last night

Wow the Boa Constrictor ate the heat last night
The Boa Constrictor ate the heat last night
And I have just one question
Did Jake get indigestion
Oh the Boa Constrictor ate the heat last night
Take it away Thrill Band

Oh Jake returned to me late tonight
And once again I woke up in a fright
Cuz he's looking strange at me
And I can tell that he's hungry
Oh the Boa Constrictor ate my wife last night

Wow the Boa Constrictor ate my wife last night
The Boa Constrictor ate my wife last night
Ate my wife and ate her sister
I love that Boa Constrictor
Oh the Boa Constrictor ate my wife last night
The Boa Constrictor ate my wife last night
The Boa Constrictor ate my wife last night
Ate my wife and ate her sister
I love that Boa Constrictor
Oh the Boa Constrictor ate my wife last night
Alright
