Paris In The Spring

"Paris in Spring"

Paris In The Spring, Mm---Mm---

Love is in the air, Mm---Mm---

Life's a love affair

And ev'ry pair of arms a rendezvous for two.

Paris In The Spring, Mm---Mm---

Hearts begin to dance, Mm---Mm---

And in ev'ry glance you'll find

An invitation to romance.

You must fall.

You simply can't evade love.

The moon is there to aid love

Find someone you can call you own.

You're to blame if you're alone Mm---

It's grand, it's new, Mm---

It's me, it's you

Ev'ry beating heart becomes a part of

Paris In The Spring.
