Inessa

Shadows falling , baby , we stand alone
Out on the street anybody you meet got a heartache of
their own

Dante:(It oughta be illegal)

Make it a crime to be lonely or sad

Dante:(It oughta be illegal)

You got a reason for livin'

You battle on with the love you're livin' on

You gotta be mine

We take it away

It's gotta be night and day

Just a matter of time

Inessa & Dante

And we got nothing (And we got nothing) to be guilty of

Our love will climb any mountain near or far , we are

And we never let it end

We are devotion

And we got nothing to be sorry for

Our love is one in a million

Eyes can see that we got a highway to the sky

I don't wanna hear your goodbye

I don't wanna hear your goodbye

Dante

Pulse's racing , darling

How grand we are

Little by little we meet in the middle

There's danger in the dark

Inessa:(It oughta be illegal)

Make it a crime to be out in the cold

Inessa:(It oughta be illegal)

You got a reason for livin'

You battle on with the love you're buildin' on

You gotta be mine

We take it away

It's gotta be night and day

Just a matter of time

Inessa & Dante

And we got nothing (And we got nothing) to be guilty of
Our love will climb and mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
I don't wanna hear your goodbye

And we got nothing to be guilty of
Our love will climb and mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye
