we stole around the front
and set our night en route
and you said i cant leave
and i will disagree with you

feel all around my pain
its gone with none to blame but you
and i

and this is how i feel now for my love
and i cant let go what im thinking of
and this is how i feel now for my love
and i cant let go what im thinking of

for all around these days
cant let my brace go free
into my arms with ease
its hard for time to see

and this is how i feel now for my love
and i cant let go what im thinking of
and this is how i feel now for my love
and i cant let go what im thinking of
and this is how i feel now for my love
and i cant let go what im thinking of
and this is how i feel now for my love
and i cant let go what im thinking of
so i wont
