[Pauline - Intro]

La la lala la la la la, Oooh yeaah

La la lala la la la la

La la lala la la la la

La la lala la la la la

[Verse 1 - Rigorod a.k.a Rodde]

Yo.. Uh.. Yeah... Huh!!!

Waking up in the evening, facing up to the sealing

look it to my right I see a fantasy from last night

my princess, my goddess from the backstage

immortalized in my diary page, age

ain't nothing but a number they say

but 18 and over is the game that I play, lady!

it's all about feelings, get you our reactions

anything for you is also my satisfaction

[Pauline - Chorus] (Cham)

La la lala la la la la (You're my only sunshine)

La la lala la la la la (??-??-??-??)

La la lala la la la la (You're my only sunshine)

La la lala la la la la (??-??-??-??)

[Verse 2 - Cham] (Pauline)

(Oooh) I need a kiss let me blindfold your eyes

(Oooh) Your body so rich, let me push my love inside

(La la la la) Deadly sounds, lovely sins

makin out ---???--- your skin

All I want is the world to know

the boyfriend-girlfriend thing is getting old

One shot if you love I'm hooked

you can be my baby cop and I can be your crook

All night I can sing Lala, and let your body rock, oh

baby now!

[Pauline - Chorus] (Cham)

La la lala la la la la (You're my only sunshine)

La la lala la la la la (??-??-??-??)

La la lala la la la la (You're my only sunshine)

La la lala la la la la (??-??-??-??)

[Pauline] (Rigorod)

I like to take a bath in a tub full of candles
You just have to la la like them all (Like theeeem!!!)
Everyday is a new day while I'm burning with my fire
Take you as my man or my king like a la la la la yeah
(huh.. yo)

[Rigorod]

Now baby girl it's over, I thought you knew I'll always be
your casanova
I'm like your --?-- , we don't need no witness
It's confidential business, what up miss,
They try to take my sweetness for punishment

[Pauline - Chorus] (Cham)

La la lala la la la la (You're my only sunshine)
La la lala la la la la (??-??-??-??)
La la lala la la la la (You're my only sunshine)
La la lala la la la la (??-??-??-??)

La la la la *untill the music fades away*
