I didn't say a word though I am really hurt

I suddenly turned mute because of simple sadness.
I cannot scream and shout
words don't find their way out

It's a special harm to know you won't be winning.
It almost stops me singing:

Careless love - turns every colour into grey

Careless love - but still I'm stronger day by day.
All the songs are sounding out of tune

And soon it starts raining in my room.

Careless love
careless love

All the songs are sounding out of tune

And soon it starts raining in my room.
(Raining in my room
raining in my room
raining in my room)

Love seemed to be so strong
but that's no longer true

No matter how I try to break away

I'm still in love
still in love.
I feel I'm on a shelf
a stranger to myself

No matter how I try to break away

my heart still wants to stay.
Careless love - turns every colour into grey
