I know it's hard on you
When your world has changed
Forget the map that you knew
Because it's been rearranged

Oh oh
Don't you cry
Oh oh
Don't worry cause

No need to be alone
I'll never let you down
I'll keep you safe from harm
Someway somehow

I get the feeling you knew
Just how hard it would be
Sometimes a good point of view
Is not so easy to see

Oh oh
Don't you cry
Oh oh
Don't worry cause

No need to be alone
I'll never let you down
I'll keep you safe from harm
Someway somehow

Know you can count on my
I'll always be around
Give anything you need
Someway somehow

I think I know where you've been
When situations arrive
SO when it happens again
I'll be the one, I'll be the one by your side.

Oh oh
Don't you cry

Oh oh
Don't worry cause

No need to be alone
I'll never let you down
I'll keep you safe from harm
Someway somehow

Know you can count on my
I'll always be around
Give anything you need
Someway somehow

Someway, somehow
Someway, somehow.
